

Policy for maintenance of greenery and use of parks in GS—

Dear residents

As we strive to beautify our society and maintain the parks and green spaces, it is important for everyone to follow certain rules for the betterment of our community. The following rules have been established by the AOA, and we kindly request all residents to adhere to them:

- 1) Park(tikona) adjacent to the basketball court to be assigned as dedicated park for playing football/ other games. Kids of any age may play in this identified area.
- 2) Spike shoes are strictly not allowed in any of the parks including this identified park.
- 3) Apart from the above park, no other park is to be used for playing football or any other game by kids of any age.
- 4) Also, in the evening, there is basketball coaching going on for small kids, football champs to be careful for other little champs.
- 5) Post handover, AOA will explore other options for better facilities in near by area.
- 6) In the above dedicated park (i.e. adjacent to the basketball court), artificial grass of better quality may be planted in future , if needed.
- 7) All other games to be played only in it's courts and only at designated area. No other game is allowed in other parks and request all residents to follow the same.
- 8) Residents, Pets, maids, workers, vendors or any others are not allowed to use parks for movement within society, from one tower to another or otherwise. Pathways to be used strictly for movement within society.
- 9) Cultural policy is already communicated and restrictions on use of parks are already mentioned there in.
- 10) Any other functions/ events are not allowed in any park.
- 11) People may perform yoga, exercise, can sit in parks, by keeping it clean & green.
